# A letter from Little Red Door's **DIRECTOR & CEO**

**I** confess that we love putting together an annual report. It's so satisfying to look back at the previous year and think about our successes (and failures) while looking at the future.

This year has been especially gratifying. 2017 was a banner year for Little Red Door. Perhaps the best year in recent memory. Our programs grew, serving more people and providing more services. We set a new record for attendance and individual giving at the Face of Hope Breakfast. We launched and successfully completed the New Hope Campaign, raising \$2.1 million to renovate our building at 1801 N. Meridian Street into a welcoming community center for under-served cancer patients. By the time this document reaches you we will be very close to moving back into our building.

While I love reflecting upon all the metrics, I especially love taking the time to reflect upon all our friends who helped along the way... board members, table captains, committee members, donors to the New Hope Campaign, foundation representatives, staff, volunteers... so many of you gave so much of your time, talent and treasure to Little Red Door. Our organization cannot be successful without friends. And frankly, our friends are the best. Thank you for all you do. I look forward to sharing a coffee with you in our transformed space.

A handwritten signature in black ink, appearing to read 'Fred Duncan'.

Fred Duncan  
Director and CEO

*Little Red Door reduces the physical, emotional and financial burdens of cancer for central Indiana residents.*

*"When I was a little girl I played at my mother's feet while she and other women in her church circle made bandages for Little Red Door's cancer patients. I am thankful for **what you do at your agency, for your gracious staff, and for all the people who have given in some way over the years.** Thank you, thank you."*

Thanks to generous contributions from donors, no family is ever turned away from Little Red Door's camps.

# the new hope project

“ Little Red Door always aims to provide our clients with the most welcoming and comfortable atmosphere possible when they walk through our doors, and these renovations and improvements will do just that. This new space will ensure that Little Red Door is a **center of hope** in the Indianapolis community for years to come.”  
- Fred Duncan, Agency Director and CEO

## WHAT'S NEW

**1 MORE ACCESSIBLE.** Renovations will include additional parking and a ramp that will lead from the parking lot to the front door.

**3 SOCIAL ROOM.** A fully equipped kitchen that will not only enhance current cooking classes but will also promote connectivity and community among clients.

**2 UPDATED EXTERIOR.** Along with increasing the size of the garden, Little Red Door will be installing a new roof and adding an exterior shield to the building.

**4 FITNESS CENTER.** The fitness center will include treadmills, resistance bands strength training and open space for Oncology fitness activities such as yoga.

# *a center of hope*

Little Red Door Cancer Agency is excited to present the New Hope capital project, a \$2.1 million project that will transform and improve LRD's building at 1801 N. Meridian into a vibrant community center for those battling cancer. Through this transformation, LRD hopes to make its building more accessible to those with physical limitations, expand client programming, and structural repairs so that LRD can continue to provide services to its clients in a welcoming and comfortable space for years to come.

# 2017 Face of Hope Breakfast

The 10th annual Face of Hope Breakfast was held on November 16, 2017 at the Indiana State Fairgrounds Expo Hall. This year 1,300 people attended the breakfast, the most in event history. \$340,000 was raised for cancer patients in central Indiana. Little Red Door would like to extend a huge thank you to everyone who attended in 2017 and helped make this possible! We hope you will join us for the 11th anniversary Face of Hope Breakfast on Thursday, November 15, 2018 to celebrate the impact our supporters have in helping Little Red Door make the most of life and the least of cancer. If you are interested in attending the breakfast, email Nick Duvall at [nduvall@littlereddoor.org](mailto:nduvall@littlereddoor.org).

# Cancer Survivor's Day

On Saturday, August 19, 2017, Little Red Door sponsored Cancer Survivors Day at the Indiana State Fair. In hosting Cancer Survivors Day, LRD aimed to draw awareness to the organization and its services, focusing on its complementary therapy and educational programs that teach the importance of nutrition and physical activity. LRD provided cancer survivors and their families an opportunity to celebrate survivorship, stress the importance of early detection and follow-up care, and connect survivors to local resources. Over 12,000

Hoosiers visited Survivor's Lane and interacted with LRD's partners for an educational experience. LRD debuted its public art project that is to be displayed in its renovated building. Hundreds of cancer survivors and their families helped create a community mural that will serve as a lasting celebration of cancer survivorship. Little Red Door helps individuals all along the continuum of cancer care and this event helped celebrate not only survivorship, but also the organization's years of work in the community to help individuals get to survivorship.
