

Making the most of life  
and the least of cancer

# LITTLE RED DOOR

CANCER AGENCY

We help reduce the physical, emotional, and financial burdens of cancer for medically underserved residents of central Indiana.

Call (317) 925-5595 or visit [www.littlereddoor.org](http://www.littlereddoor.org) for more information about our services

# Program Services

## Cancer Support Services

Little Red Door provides a transportation program, nutritional supplements, medical supplies, wigs, breast prostheses, therapeutic massage, yoga, three camps for children with cancer and much more.

## Breast Diagnostics

Little Red Door provides financial assistance for breast diagnostic screenings for the underinsured.

## Navigation Services

Little Red Door's client navigators connect clients to resources for insurance, cancer screenings and help provide basic needs for cancer patients.

## Cancer Prevention Education

Little Red Door provides community events and activities supporting nutrition, physical activity and tobacco control.
